ARTICLE 2: NO DISCRIMINATION

- 2.01** The Employer and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members because of an employee's activity or lack of activity in the Union.
- 2.02** The Union further agrees that there will be no solicitation for membership or collection of dues during working hours. The Union further agrees that there will be no Union activities on the premises of the Employer, except as specifically referred to in this Agreement or agreed to in writing by the Employer.
- 2.03** The Employer and the Union further agree that there will be no discrimination on grounds of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status, or handicap, as defined in Section 9(1) of the *Ontario Human Rights Code (O.H.R.C.)*.

- (e) Where a complaint under this Article is made against an employee's supervisor, or any person with supervisory responsibilities at a higher level over the employee, any oral complaint or written grievance which is expressed in Article 13 to be presented to the Supervisor may be presented directly to the General Manager or the Director of Human Resources. It is agreed that the individual assigned to handle the complaint or grievance will not be a person who is the subject of the complaint giving rise to the grievance.
- (f) An employee who makes a complaint under this Article may be accompanied and represented by an Employee Representative at the time of the discussion of the complaint, at each stage of the grievance procedure, and in the course of any investigation undertaken pursuant to the Employer's Harassment Policy.

ARTICLE 3: MANAGEMENT FUNCTIONS

3.01 The Union acknowledges that, except as specifically modified elsewhere in this Agreement, it is the exclusive function of the Employer to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, discharge, transfer, classify, promote, demote and suspend or otherwise discipline employees, subject to the right of an employee to lodge a grievance in the manner and to the extent hereinafter provided;
- (c) Make, enforce and revise from time to time rules and regulations relating to discipline and the general conduct of an employee;

- (d) Manage the enterprise in which the Employer is engaged and without restricting the generality of the foregoing, the right to plan their operations, direct the work force, determine the number of personnel required from time to time, the number and location of offices and facilities, the services to be performed and the methods, procedures and equipment to be used in connection therewith;
- (e) Establish schedules of work, the extension limitation, curtailment or cessation of operations and exercise all other rights and responsibilities of management.

ARTICLE 4: SALARIES

- 4.01 (a)** Salaries shall be as per attached Appendix II, Part A, which forms part of this Agreement.
- (b)** It is understood that any pay equity or special value adjustments applied to regular positions at the Niagara Parks Commission will be the pay equity or special value adjustments identified in the Employer's Pay Equity Plan **not** The Ontario Public Service Pay Equity Plan. The Employer and the Union agree to maintain The Employer Pay Equity Plan in accordance with the requirements of the *Pay Equity Act*.
- 4.02** The Employer will review the performance of employees every six (6) months or twelve (12) months (as set out in Appendix II) for the purpose of determining rate increases within the ranges provided in Appendix II. An employee not receiving a merit rate increase shall be notified in writing. Withholding of an increment may be the subject of a grievance provided it is filed within fourteen (14) days of receipt of such written notification.

ARTICLE 5: HOURS OF WORK

- 5.01 (a)** The normal work week for employees of the classifications set out:
- (i)** in Schedule 1 of Appendix III attached to this Agreement shall be thirty-six and one-quarter (36 1/4) hours;
 - (ii)** in Schedule 2 of Appendix III attached to this Agreement shall be thirty-seven and one-half (37-1/2) hours;

(iii) in Schedule 3 of Appendix III attached to this Agreement shall be forty (40) hours;

(b) It is understood that the provisions of this Section are intended only to provide a basis for calculating time worked and shall not constitute a guarantee of hours of work per day, or days of work per week, or any period whatsoever.

5.02 The Employer recognizes the desirability of scheduling time worked from Monday through Friday of each week and agrees to make every reasonable effort consistent with operating requirements to schedule hours of work during such days for as many employees as is reasonably practical. It is recognized that the Employer operates facilities that are open seven (7) days a week. This being the case, many employees cannot be scheduled during such five (5) days and different schedules may be arranged as operating conditions demand, but such schedules will be held to a minimum. However, in all cases, employees will be entitled to two (2) consecutive days off, and at least twelve (12) hours time off between shifts.

5.03 Changes in work schedules shall be posted at least fourteen (14) calendar days in advance except in a situation of emergency, circumstances beyond the control of the Employer or where alternative work arrangements have been made in accordance with Clause 5.05.

5.04 It is understood that the term "shift" does not include any period of time in respect of which an employee is entitled to overtime payments or compensating leave in accordance with Article 7 (Overtime) or Clause 7.04 (Call Back) or Clause 7.05 (Stand-by).

5.05 It is understood that other arrangements regarding hours of work and overtime may be entered into between the parties with respect to variable work days or variable work weeks or variable work hours.

Any agreement with respect to compressed work week arrangements shall include:

- (1) Work Unit and employees Covered
- (2) Hours of Work
- (3) Overtime
- (4) Holiday Payment
- (5) Short Term Sickness Plan and Vacation Credits
- (6) Workers' Compensation
- (7) Shift Premium
- (8) Term

For example see NPC Police Compressed Work Week Agreement - Appendix VI.

ARTICLE 6: SHIFT PREMIUMS

- 6.01** Effective January 1, 1990, an employee shall receive a shift premium of forty-eight (48) cents per hour for all hours worked between 5:00 p.m. and midnight. Where more than fifty percent (50%) of the hours worked fall within this period, the forty-eight (48) cents per hour premium shall be paid for all hours worked.
- 6.02** Notwithstanding 6.01, effective January 1, 1990, an employee shall receive a shift premium of fifty-eight (58) cents per hour for all hours worked between midnight and 7:00 a.m. Where more than fifty percent (50%) of the hours worked fall within this period, the fifty-eight (58) cents per hour premium shall be paid for all hours worked.
- 6.03** Notwithstanding 6.01 and 6.02, where an employee's hours of work normally fall within 7:00 a.m. and 5:00 p.m., the employee shall not be entitled to receive a shift premium for hours worked between 5:00 p.m. and 7:00 a.m.
- 6.04** Shift premiums shall not be considered as part of an employee's basic hourly rate.
- 6.05** A shift premium shall not be paid to a regular day worker who may be required to work overtime, as well as in the case of an employee who, for mutually agreed upon reasons, works a fixed off shift for which he/she would otherwise be entitled to a shift premium. Shift premium payments shall not be considered as part of the employee's pay for such purposes as calculation of overtime, pension contributions, or for computation of attendance credit gratuities.

**ARTICLE 7: OVERTIME/COMPENSATING TIME OFF/
CALL-BACK/STAND-BY/MEAL ALLOWANCE**

- 7.01** For the purpose of this Article "Overtime" means a period of time worked, consisting of at least and computed to the nearest fifteen (15) minutes, which is performed on a regular working day in addition to the regularly scheduled hours or any period of work performed on a day that is not an employee's regular working day.
- 7.02** Except as provided in Clause 7.03, overtime shall be approved in advance by management and paid at the rate of one and one-half (1 1/2) times the normal hourly rate of the employees.
- 7.03 (a)** In order to retain as many employees on Regular Staff as is reasonably practical during the off season, the employees as set out in Schedule 3 of Appendix III will be Seasonal Exceptions.

Schedule 3(b) (Appendix III) Seasonal Exceptions shall be granted one and one-half (1 1/2) hours of compensating leave for each hour worked in excess of the normal weekly hours during the period of May 1st to September 30th each year up to a maximum of one hundred and thirty-six (136) hours. Overtime shall be paid for hours worked in excess of their normal weekly hours which exceed the maximum permissible banked hours during the period.

Schedule 4 (Appendix III) Seasonal Exceptions shall be granted one and one-half (1 1/2) hours of compensating leave for each hour worked in excess of the normal weekly hours during the calendar year up to a maximum of one hundred (100) hours. Overtime shall be paid for hours worked in excess of their normal weekly hours which exceed the maximum permissible banked hours during the period.

- (b)** Excluding the above Seasonal Exceptions, where there is mutual agreement with management, employees may receive compensating leave in lieu of pay at the overtime rate for overtime worked.

7.04 Call Back

- (a) Where an employee has left the Park area on the completion of his or her regular shift and is subsequently called back before the commencement of his or her next regularly scheduled shift, he or she shall receive four (4) hours at the overtime rate. Where the employee performs work for more than four (4) hours after being so required to report to work, he or she shall be entitled to a minimum of eight (8) hours at the overtime rate, except to the extent that such period of hours worked overlaps, or extends into, his or her regular shift.
- (b) In no case will an employee be required to work more than sixteen (16) consecutive hours without an eight (8) hour work break.
- (c) Call-back opportunities are to be allocated on a rotating basis among the employees normally responsible for carrying out the work, using seniority as the deciding factor.

A list of all call-backs, with names, times and description of work performed shall be posted in the appropriate department.

7.05 Stand-by

- (a) Stand-by time shall be any period of time that is not a regular working period during which an employee on written instructions from the Director or a person designated by the Director is required to be available to immediately return to work.
- (b) Payment for stand-by shall be at the overtime rate of pay for one-third (1/3) of the hours on stand-by, but where such stand-by time is less than the number of hours in the regular working day, the employee shall be credited with one-third (1/3) of the number of hours in his/her regular working day, at the overtime rate.
- (c) In the event that an employee who is performing stand-by service is called to his or her place of work, he or she will be compensated for such work in accordance with provisions for overtime and in such an event compensation for stand-by service will be suspended for the duration of the period worked. If such work is performed on a holiday as designated in Appendix IV, Article 58, another day will be paid.

7.06 There shall be no duplication or pyramiding of overtime payment or compensating leave nor shall the same hours worked be counted as part of the normal work week and also as hours for which an overtime or holiday premium is payable.

7.07 Meal Allowance

- (a) An employee who continues to work more than two (2) hours of overtime immediately following his/her scheduled hours of work without notification of the requirement to work such overtime, prior to the end of his/her previously scheduled shift, shall be reimbursed for the cost of one (1) meal to nine dollars (\$9.00) except where free meals are provided or where the employee is being compensated for meals on some other basis.
- (b) A reasonable time with pay shall be allowed the employee for the meal break either at or adjacent to his/her workplace.
- (c) Gratuities and taxes are to be included in the actual cost of meal claims.

ARTICLE 8: JURY DUTY OR COURT WITNESS

8.01 Where an employee is absent by reason of a summons to serve as a juror or a subpoena as a witness, the employee may at his/her option:

- (a) treat the absence as leave without pay and retain any fee received as a witness or juror;
- (b) deduct the period of absence from accumulated vacation credits or compensating leave credits and retain any fee received as a witness or juror; or
- (c) treat the absence as leave with pay and pay to the Employer any fee received as a witness or juror.

ARTICLE 9: MILITARY TRAINING

9.01 The General Manager may grant leave of absence for not more than one (1) week with pay and not more than one (1) week without pay in a fiscal year to an employee for the purpose of Canadian Forces Reserve training.

ARTICLE 10: SENIORITY

10.01 An employee will be on probation until he/she has completed three (3) consecutive months of employment with the Employer. Upon completion of such probationary period, he/she shall acquire seniority in his/her grade and classification in the Department concerned. Seniority thus acquired shall be exercisable with his/her grade and classification in the manner set out in this Article.

10.02 (a) When the Employer decides the circumstances require a reduction of personnel and where the qualifications of the employees for the job concerned are relatively equal, the seniority of the employees shall apply. Employees with more seniority will have the right to displace employees with less seniority in the same classification or a classification with a lower maximum salary provided that the Employer determines that the surplus employee is qualified to perform the work of the displaced employee. Upon receiving a layoff notice, an employee who wishes to exercise his/her seniority may do so providing he/she notifies the Human Resources Department in writing of his/her intent to exercise his/her seniority within seventy-two (72) hours of receiving notification of layoff.

(b) Recall

When the Employer decides to recall employees and where the qualifications are relatively equal, the seniority of the employee shall apply.

(c) A Regular employee's seniority will accumulate upon completion of a Probationary Period and shall include time worked as a Seasonal Employee with one (1) season of seasonal employment being equal to 2/3 year (eight (8) months) full time service. Seniority thus acquired shall be exercisable for lay-off and recall purposes only as outlined in this Article. This article will apply to both present and future Regular Employees.

Management will complete the recalculation of seniority for all present full-time employees affected by this Article by April 1, 2005. Future employee's seniority will automatically be calculated upon completion of a full-time probationary period.

The Employer further agrees to meet with the Union regarding the qualification criteria to be used in the event of staff downsizing prior to notifying the employees concerned of a reduction in personnel.

10.03 Seniority shall be lost and employment deemed to be terminated if the employee:

- (a) voluntarily quits;
- (b) is discharged for cause, unless such discharge is reversed through the grievance procedure;
- (c) is laid off for a period in excess of twelve (12) months;
- (d) overstays a leave of absence without the written permission of the Employer;
- (e) utilizes a leave of absence for other than the reason for which such leave of absence was granted;
- (f) being laid off fails to notify the Employer of his/her intention to return to work within five (5) days following mailing of a registered letter to the last recorded address with the Employer, or having provided such notification, if the employee fails to return to work within ten (10) days from the date of mailing of such registered letter.

ARTICLE 11: LEAVE OF ABSENCE

11.01 Leave of absence without pay may be granted by the Employer for legitimate personal reasons and such leave shall not be unreasonably withheld. It is understood that in granting such leave, the Employer will be provided with reasonable explanation for the leave request.

- 11.02** Leave of absence without pay may be granted to employees to attend conventions, school and seminars conducted by the Union, and shall not be unreasonably withheld.
- 11.03** Leave of absence because of Maternity, Parental and Adoptive Leave shall be granted in accordance with Articles 60 and 61 of Appendix IV.
- 11.04** Bereavement leave of absence shall be granted in accordance with Article 59 of Appendix IV.
- 11.05** Leave of absence with pay and without loss of credits shall be granted to a member of the Union who participates in negotiations, up to the event of a strike or lockout, provided that no more than five (5) employees at any one time shall be permitted such leave for any one set of negotiations. Leaves of absence granted under this sub-section shall include reasonable travel time.
- 11.06** Upon request, in writing, and provided that reasonable notice is given, leave of absence with no loss of pay and with no loss of credits shall be granted to employees elected as Executive Board Members and Executive Officers of the Union. The Union shall reimburse the Employer for all compensation paid to members granted leave under this Article. The above provisions apply to members elected to the Central OPSEU Executive Board and not the Local Executive.
- 11.07** Leave of absence with pay and no loss of credits will be granted to conduct the internal affairs of the Local on the following basis:
- (a) only the President, Vice President, Secretary, Chief Steward of Local 217 shall be granted such leave;
- the leave shall be for a single period of not more than six (6) hours per month in total, and unused leave shall not be cumulative;
- (b) the leave must be approved in advance by the employee's supervisor and providing that customer service will not be compromised;

- (c) the President, Vice President, Secretary, Chief Steward shall not, during his/her period of leave, engage any other employee during that employee's working hours, or interfere in any manner with the conduct of the Employer's business, or use any of the Employer's equipment or other resources.

11.08 The General Manager or designee may grant an employee leave of absence without pay or loss of accumulated credits on religious grounds for the purpose of observing authorized religious holidays. Such leave shall not be unreasonably withheld.

**ARTICLE 12: POSTING AND FILLING OF VACANCIES
OR NEW POSITIONS**

12.01 All vacancies for new or established positions to be filled within the Bargaining Unit, shall be posted for ten (10) working days on The Employer's bulletin boards located throughout the Park.

An employee desiring the new or established position must make application in writing to the Human Resources Office within ten (10) working days of the date of posting of the notice.

12.02 The notice of vacancy shall state, where applicable, the nature and title of position, salary, qualifications required, the hours of work and the area in which the position exists.

12.03 In filling a vacancy, the Employer shall give primary consideration to qualifications and ability to perform the required duties. Where qualifications and ability are relatively equal, seniority shall be a consideration.

12.04 For the purpose of filling vacancies under Clause 12.03 the following definition of seniority shall apply:

- (a) Seniority for a Regular Employee shall be the date of appointment to Probationary Staff;

- (b) A Seasonal Employee's seniority will accumulate upon the completion of a Probationary Period and shall include all hours worked as a Seasonal Employee at the straight time rate. A year's seniority is based on the completion of two thousand and eighty (2,080) hours.

- a promotional increase shall not result in the employee's new salary rate exceeding the maximum of the new salary range except where permitted by salary note.

APPENDIX IV
REGULAR EMPLOYEE BENEFITS

ARTICLE 52: BASIC LIFE INSURANCE

52.1 The Employer shall pay one hundred percent (100%) of the monthly premium of the Basic Life Insurance Plan.

52.2 The Basic Life Insurance Plan shall provide:

- (a)** coverage equal to seventy-five (75%) of annual salary or ten thousand dollars (\$10,000) whichever is greater;
- (b)** where an employee is continuously disabled for a period exceeding six (6) months, the Employer will continue to pay monthly premiums on behalf of the employee until the earliest of recovery, death, or end of the month in which the employee reaches age sixty-five (65). Any premiums paid by the employee for this coverage between the date of disability and the date this provision comes into force shall be refunded to the employee.
- (c)** a conversion option for terminating employees to be obtained without evidence of insurability and providing coverage up to the amount for which the employee was insured prior to termination (less the amount of coverage provided by the Employer in the case of retirement). The premium of such policy shall be at the current rates of the insuring company. Application must be made within thirty-one (31) days of the date of termination of insurance. The Employer will advise terminating employees of this conversion privilege. The minimum amount that may be converted is two thousand dollars (\$2,000.00).

The conversion options shall be:

- (1)** Any standard life or endowment plans (without disability or double-indemnity) issued by the Great West Life Assurance Company.
- (2)** A one (1) year term insurance plan which is convertible to the standard life or endowment plans referred to in (1) above.
- (3)** A term to age sixty-five (65) insurance plan.

52.3 The amount of Basic Life Insurance will be adjusted with changes in the employee's salary from the date of approval of the increase or the effective date, whichever is later.

If an employee is absent from work because of sickness or disability on the date an increase in insurance would have occurred, the increase will not take effect until the employee returns to work on a full-time basis (i.e., for at least one (1) full day).

52.4 Basic Life Insurance will terminate at the end of the month in which an employee ceases to be an employee unless coverage is extended under the total disability provision. Employees who receive a monthly benefit from The OPSEU Pension Trust are entitled to free coverage of two thousand dollars (\$2,000.00) not earlier than thirty-one (31) days after the first of the month coinciding with or following date of retirement and this amount will be kept in force for the remainder of the employee's life.

ARTICLE 53: SUPPLEMENTARY AND DEPENDENT LIFE INSURANCE

- 53.1 (a)** Employees, at their option, may purchase Supplementary Life Insurance in the amount of one (1), two (2) or three (3) times annual salary. The employee pays the full premium for this coverage.
- (b)** The Employee's Supplementary Life Insurance provides:
- (i)** a waiver of premium on disablement to become effective after nine (9) months continuous disability or entitlement to Long Term Income protection benefits whichever comes first and to remain in force while the employee is totally disabled until the earliest of recovery, death, or the end of the month in which the employee turns age 65. The premiums paid by the employee for this coverage between the date of disability and the date the premium waiver comes into force shall be refunded to the employee;
 - (ii)** a conversion option on the employee's termination to be obtained without evidence of insurability and providing coverage up to the amount for which the employee was insured prior to termination. The premium of such policy shall be at the current rates of the insuring company. Application must be made within thirty-one (31) days of the date of termination of insurance. The Employer will advise terminating employees of this conversion privilege. The conversion option shall be as stated in 52.2 (c), Basic Life Insurance.
- 53.2** The amount of Supplementary Life Insurance will be adjusted with changes in the employee's salary from the date of approval of the increase or the effective date whichever is later.

If an employee is absent from work because of sickness or disability on the date an increase in insurance would have occurred, the increase will not take effect until the employee returns to work on a full-time basis (i.e., for at least one (1) full day). In the event of a reduction in salary, an employee may, at his or her option, maintain the insurance coverage at the former high level.

53.3 Supplementary Life Insurance will terminate at the earlier of either the end of the calendar month in which the employee ceases to be an employee or, if the employee continues to be employed after age 65, on the first day of October following the employee's 65th birthday, except where coverage is provided under total disability, as described in 53.1 (b) (i) above.

53.4 (a) Employees, at their option, may purchase life insurance for dependents in the amount of one thousand dollars (\$1,000.00) on the employee's spouse and/or five hundred dollars (\$500.00) on each dependent child, or two thousand dollars (\$2,000.00) on the employee's spouse and/or one thousand dollars (\$1,000.00) on each dependent child. The employee pays the full premium for this coverage.

(b) Dependent Life Insurance will terminate at the earlier of either the end of the calendar month in which the employee ceases to be an employee or, if the employee continues to be employed after age 65, the first day of October following the employee's 65th birthday, or the date a dependent ceases to be an eligible dependent.

(c) *Conversion option:* When an employee terminates, Dependent Life Insurance on a spouse may be converted to an individual policy which may be obtained without evidence of insurability and providing coverage for the same amount for which the spouse was insured as a dependent prior to termination. The premium of such policy shall be at the current rates of the insuring company. Application for the converted policy must be made within thirty-one (31) days of the date of termination of insurance.

(d) Eligible dependants shall include spouse, unmarried children under 21 years of age, unmarried children between 21 and 25 years of age and in full-time attendance at an educational institution or on vacation therefrom, and children 21 years of age and over, mentally or physically infirm and who are dependent.

53.5 An employee may elect to purchase Supplementary or Dependent Life Insurance without evidence of insurability within thirty-one (31) days of:

- appointment to staff,
- marriage, or
- birth or adoption of employee's child.

An employee who applies to purchase or increase this insurance at any other time must provide evidence of insurability satisfactory to the insurer.

(b) Effective January 1, 1992, the L.T.I.P. benefit an employee was receiving on December 31, 1991, will be increased for each employee in accordance with the following table:

MESSAGE FROM PRESIDENT OF OPSEU LOCAL 217

Message from the President of OPSEU Local 217

Welcome to the Niagara Parks Commission and to OPSEU, which stands for The Ontario Public Service Employees Union.

As a bargaining unit employee, union dues will be deducted from your bi-weekly pay. This makes you a dues paying non-member. As such you are eligible to receive representation from OPSEU for certain employee matters and you are covered by the terms and conditions of the Local 217 Collective Agreement. However, until you sign a union card your participation in union activities are limited. Voting privileges and input relating to the operation of the local can be achieved simply by contacting your union steward and signing a card. Any personal information you provide will remain strickly confidential within the elected body of the Union.

At your work location a current Local 217 Union Steward list is posted. Please take the time to contact a representative in your area or any steward on the list to get signed up.

I would ask that you complete the attached form outlining your name, address and phone number and send it through interoffice mail to the current secretary of Local 217. We can then provide you with more information about your union.

In solidarity.
