What/Why?

The bargaining team for Local 217 The Niagara Parks Commission is calling on all OPSEU members to get out and vote YES in the January 21st strike vote. In order for your team to get ahead in negotiations and negotiate a **strong collective agreement** we need bargaining power and how we can get that is from **YOU** giving us a strong strike mandate vote. **We want to STRESS that a YES vote does not mean union members will automatically go on strike.** Voters will be asked to check YES or NO, as follows:

YES: I authorize the Bargaining Team to call a strike if necessary in order to achieve an acceptable collective agreement.

NO: I do not authorize the Bargaining Team to call a strike.

A high vote with a high turnout can dramatically reduce the need for strike action, simply because the employer will know, **without a doubt**, that we have the power to take action if necessary...so please come out and support your bargaining team by voting YES! The union negotiator, your staff rep and bargaining team will be available during this time to answer your questions/concerns with 2 scheduled information sessions at 12 & 7pm.
